

Questions and Answers, Part 2 – Bridge Inspection and Testing Master Contract

2014

Date: February 19, 2014

County: Statewide

Project Description: Provide shop inspection during fabrication of structural steel bridge members, bridge appurtenances and related items as may be required for various construction projects – Statewide.

Dates Published in Clarion Ledger: February 5th and 12th, 2014

From: Scot Ehr Gott, P.E. – MDOT Director of Consultant Services

Question #1: Is the Department looking for a material testing firm to lead or a consulting firm with the requisite experience supplemented with a nationwide material testing firm?

Answer: MDOT prefers to contract directly with Commercial Testing Laboratory(s) for the purposes provided in the Legal Advertisement.

Question #2: Is this contract limited to fabrication of steel structures only?

Answer: Yes.

Question #3: How will the selected consultant be paid for services?

Answer: Please refer to the Legal Advertisement.

Question #4: Will a contingency offer letter signed by prospective inspectors be acceptable to demonstrate potential employment to meet the requirements of certifying that all staff proposed are currently employed?

Answer: Yes.
